Mentor Meeting Agenda 11/28/2016

- How to deal with illnesses: planning, timeline, extensions (recap how it's been going and re-evaluate for the future)
- When is reasonable for us to turn in the next step in the project?
- When can we catch up again? We turned in the MVP on Sunday; can we finish the revised design by Wednesday?
- Lantian left; are we getting another team member? Do we want one? Do we need one?
